Dear Parent(s)/Guardian(s):

Waterford Township School District is committed to supporting the academic needs of its students. Under *The Every Student Succeeds Act (ESSA)*, we are required to identify students who need additional academic support in English Language Arts and/or Mathematics. Based on the criteria below, it was determined that your child is eligible to receive extra support in the area(s) indicated below:

The academic support your child receives will be specific to the needs indicated. This support will be delivered via individual and/or small group instruction with the classroom or Title I Rtl teacher. Your child will be monitored regularly, and the teacher will keep you informed of your child's progress.

Your child will exit the program at the end of the school year or sooner if an examination of criteria (similar to that which was used to determine eligibility) indicates that additional academic support is no longer required. Your child's teacher and/or the instructional specialist can also recommend that your child be placed in the program for the following school year, and if selected, you will be notified by mail and/or email.

We have enclosed a permission form and ask that you DocuSign acknowledging that you have been informed of your child's participation in our Title I Rtl Program. If you have any questions, please feel free to contact us at (856) 767-8293, extension 5043.

Please review the District-Wide Parent & Family Engagement Policy and School-Parent Compact in the first day of school parent envelope (or under the "Parents" tab on our website at www.wtsd.org). We look forward to working in partnership with you to support your child's academic success.

Respectfully,
Julie C. Lyons
