Presented by:

Jennifer Ervolini and Lindsay Hickman

Workshop Objective: Many parents have reached out to the prek teachers with struggles in regards to using Ready Rosie and the MyTeachingStrategies Family App. Jen and I will walk parents/guardians through each platform and help answer questions that may be raised. We will also provide examples of feedback and notes to guide your responses to your child's daily activities!

If you have questions please feel free to contact Jennifer Ervolini, Prek Social Worker jervolini@wtsd.org
Or Lindsay Hickman, Prek Instructional Coach
