Dear Parents:

During Waterford Township School District's closure, remote learning will take place. Starting Tuesday, March 17, your child's teacher will communicate with you each weekday, between 10am-12pm. The teacher will use the parent communication method that is currently in place for your child's classroom (Classroom Dojo, email, Remind, etc.).

These daily communications from the teacher will define that day's lessons, directions, and activities. Please note that a digital copy of all instructional units is available in the "Virtual Backpack" for you to review on the district website, at wtsd.org. If you have any questions about remote learning, please contact your child's classroom teacher.

Teachers of special education students will communicate daily to clarify directions, while making appropriate accommodations and modifications. If your child receives related services (such as OT, PT, speech, etc.), relevant materials, resources, and contact information will be sent home with your child today.

Thank you for your continued support, flexibility, and understanding.

Respectfully,

A handwritten signature in black ink that reads "Brenda Haring".
