

Dear Parents & Guardians,

We will be providing breakfast and lunch options to all our Waterford Township School District students during our school closure!

Meal pickups will start on March 18, 2020!

Pickups will be weekly on Wednesdays between 12pm and 2pm!

Pickup location will be at WES at the front of the building at the bus loop doors!

*Our staff and volunteers will greet you at your car and deliver the students meal to you. –no need to even leave your vehicle!

Please be prepared to show ID and to give the staff or volunteer the name of all students receiving meals! If you have more than one student in the District you may come at any one of the time slots. If you are unable to come during these times you may send a proxy in your place. They will need to show ID and sign. The Staff will need to be notified by phone or email with the full name of the person who will be picking up for your family.

To limit the amount of community members congregating at one time in one area we will be setting a schedule for pickup by last name. Since the whole purpose of the closure is to prevent the spread of the Covid-19 virus. There have not been any documented cases currently; we are just following precautionary measures!

Pick up times will be as follows:

Last names beginning with:

A-G 12:00pm-12:30pm

H-M 12:30pm -1:00pm

N-S 1:00pm -1:30pm

T-Z 1:30pm-2:00pm

Please contact me with any questions or concerns!

Christine Storey, Food Service Director 856-767-8293 ext 3026 or wat@nsfm.org
