

Waterford Township School District

CALLING ALL DYNAMIC AND VISIONARY LEADERS

Superintendent of Schools

Waterford Township School District, Waterford, NJ
Anticipated Start January 1, 2023

The Waterford Township Public School District seeks a visionary leader for the position of Superintendent of Schools. The school community is looking for a dynamic educator who can enhance its rich tradition of progressive, student-centered academics while building a comprehensive system of supports which helps to provide a strong foundation for Waterford's students to reach their full potential. The successful candidate must possess a working knowledge of special populations; a proven record of fiscal responsibility in designing budgets; an ability to infuse STEM across the curriculum; a strong background and understanding of the whole child; the ability to foster positive relationships with all stakeholder groups throughout the school community; strong communication skills; and a recognition of 21st century skills and career and college readiness within the teaching and learning process.

The Waterford Township School District serves approximately 900 students in pre-K through 6th grade programs in 3 schools. The mission of the Board is to engage all community stakeholders in a partnership that provides all students with a safe and equitable learning environment that cultivates academic, social, and emotional growth. The next educational leader will encourage the development of personal strengths, positive self-image, have an appreciation for the uniqueness of each individual, and possess the ability to establish a strong working relationship with the administration and stakeholders of the Hammonton School District. The Waterford Township School District embraces the philosophy that every student is capable of learning and achieving at high levels.

Interested candidates must have/be eligible for a NJ School Administrator license with prior administrative experience or an instructional coaching/advising background. Candidates with an earned doctoral degree in education or a related field, school building leadership experience, and central office administration are preferred.

Qualified individuals are encouraged to submit a letter of interest and curriculum vitae by July 15, 2022 to:
